***PRESIDENT'S MESSAGE:***

Now that cooler weather is finally here, we all face the daunting task of preparing for moving the plants that summered outside back into our homes or greenhouses. This is a good time to look for pests and give our plants a good spraying while it may be done outside where there is plenty of room and little danger of unwanted contamination. We should also be on the lookout for tender bloom spikes that may be starting and that are easily broken if not carefully noted as we move things around.

For our October program we will be watching the video: "The Judge, The Hunter, The Thief, and the Black Orchid", a 70-minute DVD that documents the development of the so-called Black Orchid by Fred Clarke. This film is produced by Michelle Walton & Rich Walton and directed by Rich Walton. As per our new schedule, [our set-up will begin at 2:30 and our program will begin at 3:00. Our meeting location is unchanged: 1024 Carrington Place across Rio Road from Church of our Savior](#). Turn right into the parking lot after turning onto Carrington Place. The building is toward the end of the lot with a covered garage area on the lower level. Take the elevator (or the stairs if open) from the 1st floor (garage) to the top floor. Our meeting should be finished by 5:00. [Members are encouraged to bring snacks and drinks to share. Members may also bring plants to sell at this meeting.](#)

We have one important item of business to accomplish during the meeting. Someone needs to step forward to chair a committee to select a slate of officers for the coming year (2017). Preferably, the committee chair should not be a current office holder (past officers are permitted and indeed encouraged to take on this task). The task of the committee will be to poll the current office holders as regards their desire to continue for another term and to find candidates for vacancies. We have one definite vacancy, the office of Program Chairman has been vacant for 2016. The committee would be expected to submit a slate of office candidates at the November meeting (to be voted on at the December meeting). Please give consideration to chairing or serving on the officer committee, or to placing your name in consideration for an office (a little competition never hurts). We especially encourage consideration for the vacant office.(Program Chairman).

Looking forward to seeing everyone on October 9.

Dudley
