AOS Liaison: CJ Besanson

Photography: Jeff Morris

NEXT MEETING:

Sunday 10/14/2018

Set-up 2:30 PM; program begins at 3:00 PM

1024 Carrington Place, off Rio Road across from Church of Our Savior

PRESIDENT'S MESSAGE:

Although Summer's unusual weather patterns have persisted into the fall, it seems that cool temperatures will finally arrive to coincide with our next meeting which will be held on 14 October 2018. All of our warmth loving plants should be safely moved inside our homes and greenhouses by then. Our intermediate and cool growing plants may enjoy a few more weeks outside, especially those whose flowering seems to be triggered by those brisk cool mornings just prior to the first frost. Be careful to inspect your plants for stowaways as you bring them inside. Slugs and snails are great at hiding deep inside the potting medium only to emerge under cover of darkness as flowers unfurl. Their love of beer is their downfall. Other pests such as scale and mealy bugs may be dispensed with by a sharp stream from the garden hose, or an insecticide if the infestation warrants. This is a good time to apply systemic insecticides to our most problem plants..

I would also like to remind everyone that the election of officers for our society will take place at our November meeting. As I announced last month, I will be stepping down as President at the end of the year and I encourage candidates for the presidency or any of our other offices to make their intentions known at the October meeting.

Our meeting will be held at our usual meeting place (1024 Carrington Place, across Rio road from the Church of Our Savior) and time (3:00 pm). The room setup will begin at 2:30 and those bringing plants for our show table should arrive somewhat in advance of 3:00 so that judging of the show table can be completed prior to the start of our program. Please feel free to bring snacks to share. Hope to see you at the meeting on Sunday the 14th.

Dudley

SPEAKER INFORMATION:

Our speaker will be Hadley Cash and his topic will be Cutting Edge Paphs & How to Grow Them. Hadley began collecting orchids 30 years ago. He became intrigued by the unique look of the Paphiopedilum orchids so they soon became the focus of his interest. He is now recognized as one of the top orchid breeders in the country.

Hadley is bringing plants and preorders are encouraged at Marriott Orchids. No plant sales by members for this meeting, please!

special thanks to Maria Shank for sharing these photos from her trip to Romania!

SHOW TABLE RESULTS:

Show Table Reminder

For all show entries, complete a show table form (plant identification on front, your name on back). After the meeting, leave forms on the table so that results may be tabulated.

Charlottesville Orchid Society

Join us for a *CHAOS* meeting!!!

Be our guest at a meeting because you enjoy orchids!

What's in it for you:

- Speakers who address multiple topics of interest about orchids and growing them
- A show table that allows you to see...and smell!...blooming orchids grown by our members, AND discussion by experienced orchid growers about how those orchids grow and thrive
- Networking with friendly and welcoming people who enjoy orchids and plants, and grow them in their own greenhouses or homes
- Frequent options to purchase beautiful orchids to grow yourself
- Raffles in which you may win an orchid plant for as little as \$1.00
- The option of joining our organization as a member

When: Usually the second Sunday of each month, September through June, from 1:00 to 4:15 PM, with program from 2:30-3:30 PM. Check our website (<http://cvilleorchidsociety.com/>) to confirm a date.

Where: 1024 Carrington Place, off of Rio Road East, Charlottesville. Go to the third floor, "Accounting Solutions".

Hope to see you at our next meeting!
